

Developing new developers

James Spencer, Imperial College London

How can we support people to create a sustainable development team?

[HANDE.org.uk](https://hande.org.uk) — open stochastic quantum chemistry

Lower barriers

- ▶ guides, tutorials
- ▶ ‘toy’ code project
- ▶ introductory research project
- ▶ test suite
- ▶ pull requests and code review
- ▶ **flat** development model

More details: [arXiv:1407.5407](https://arxiv.org/abs/1407.5407).
