Motivation

- DrupalCon Barcelona 2015 and Drupal 8
- Mined YouTube, Twitter, and Github
- Heterogeneous or homogeneous?

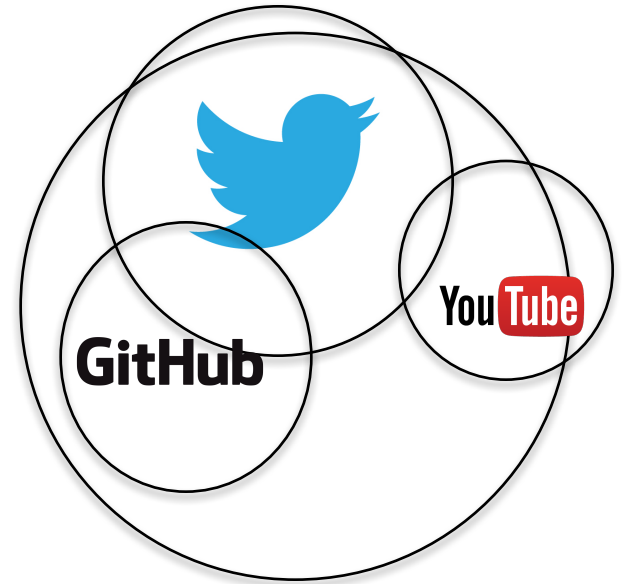

Social Coding

- Committer model
 - Limited to social coding
- Focuses on individual
- Software credit
 - Individuals
 - Engaged organisations

Social Documentation

- Social media to create documentation
- Groups and companies, fewer individuals
- Education and training
 - Symfony and PSR process
- Tutorials
 - Existing Drupal versions
 - Pitches

Thank you
